

#STEMpowersOhio

WORKSHOP SERIES

The Ohio STEM Learning Network (OSLN) and The Works: Ohio Center for History, Art & Technology offer teachers a new three part workshop series to help bring the #STEMpowersOhio Design & Entrepreneurship Challenge to classrooms. This virtual series is geared for 6th – 12th grade teachers and will be offered free of charge.

Design Thinking 101

1
SESSION

Experts from the the PAST Foundation will get you started with an overview on design thinking to frame the #STEMpowersOhio Challenge.

12.01.2020
3:30-4:30 p.m.

All About Energy

2
SESSION

The Works will help you incorporate energy concepts and brainstorm ways to hook students on the energy topic.

12.08.2020
3:30-4:30 p.m.

Partners and Projects

3
SESSION

OSLN will convene a panel of energy innovators and detail how to bring local partners into the design challenge at your school.

12.15.2020
3:30-4:30 p.m.
