YOU CAN MAKE AN *Impact...*

Dear Friends,

2022 has been an exciting year filled with **educational opportunities** at The Works: Ohio Center for History, Art & Technology. From unique art galleries, to Curious Kids programming, Behind the Science events, and hot glass experiences, so far the year has brought over 36,000 guests through our museum doors.

Visitors to The Works enjoyed interacting with wildlife in our Smithsonian Habitat exhibit, explored big machine science at Dozers & Diggers, and joined us for Art After Dark and Night@the Museum events.

The Works is proudly exploring new program, event, and exhibit ideas to offer our community. Our Annual Fund keeps our museum **relevant and energized** and allows us to continue offering hands-on learning experiences.

We strive to create **new discoveries for all ages**, and we hope you will consider a gift to our Annual Fund. **Join us in support of our mission to enrich lives by providing interactive opportunities that inspire creativity and learning.**

In gratitude,

Janice LoRaso
Executive Director

Spark
**CREATIVITY &
LEARNING!**

A \$50 GIFT

can provide scholarships for kids to attend summer camps, such as Busy Bee & Robotics.

A \$100 GIFT

can help offset our Glass Studio costs so that we can continue to provide daily glass demonstrations for museum visitors.

A \$250 GIFT

can support a school visit outreach, featuring an array of educational programs, science shows & exploration opportunities.

A \$500 GIFT

can help sustain Habitat, an exhibition that explores the critical need for varied natural habitats, how interconnected and fragile they are & what we can do to protect them.

A \$1,000 GIFT

can help us incorporate exciting new immersive educational films into our SciDome Shows, for all museum guests to enjoy.

A \$1,200 GIFT

can support our education staff and their ability to provide free weekly programs at The Works, such as Around Town, Mini-Makers & Curious Kids.
