- MAR 18: **Open Studio** - Bring your imagination to the table!
- APR 15: **Handprints** - Freeze a moment in time with our glass handprint mementos.

*Prices vary by size and type/Drop In/  
Details at [attheworks.org/glass-fusing-workshops](http://attheworks.org/glass-fusing-workshops)*

TUESDAYS | 10 AM – *New Time!* | KIDS 2-6

## CURIOUS KIDS

Learn, create, and have fun together with a new hands-on history, art, or science activity each week, specially designed for our younger guests!

*Included with Admission/Free for Members*

FRIDAYS | 10 AM – *New Time!* | KIDS 3-6

## MINI MAKERS

Work together to design, create, and build fun projects that blend art with STEM activities.

*Included with Admission/Free for Members*

SATURDAYS | 11:30 AM

## *Experience More* SATURDAYS

Join us for even MORE in the museum on Saturdays! With a rotating selection of Science, History, and Art programs you will always find something new to explore.

*Included with Admission/Free for Members*

### Jan 07 | Youth & Families

**Science Investigation** – Grab your magnifying glass and help us solve a forensics mystery in the museum!

### Jan 14 | Teens & Adults

**History Brunch** – Ever want to learn more about the Newark Earthworks and the people who created them? Now is your chance! Join us for snacks and a great discussion with Brad Lepper, Senior Archeologist at the Ohio History Connection and expert on ancient Ohio.

### Jan 21 | Youth & Families

**Nature Art** – It's Squirrel Appreciation Day! Learn about these cute and curious rodents while making a puppet and other crafts.

FRIDAY | JAN 13 | 4 PM – 8 PM | ALL AGES

## OPEN LATE!

We are open late for even more hands-on fun! Enjoy museum exhibits and activities for the entire family.

*Included with Admission/Free for Members*

SATURDAY | JAN 21 | 2 PM - 4 PM

## *Gallery Opening* MOUNDS, MOON AND STARS THE LEGACY OF OHIO'S MAGNIFICENT EARTHWORKS

The visionary people of the Hopewell culture's presence remain with us today, and we are still discovering the depth of their engineering expertise, artistic brilliance, and influential spiritual worldview. Join us in recognizing and appreciating the People who designed and developed the ceremonial sites we now call the Newark Earthworks.

*Free & Open to the Public/On Display January 21 through April 1*

**SATURDAY | JAN 21 | 4 PM - 6 PM**

## ART AFTER HOURS

**Decoupage** - Grab your friends and join us for a quarterly art night out! Light appetizers included to fuel your creativity.

**\$25/\$20 Members/Registration Required, limited space**

## HOMESCHOOL DAYS *are Back!*

Each day offers a morning or afternoon workshop session for your K-6 student. Each topic will include a sixty-minute hands-on, standards-based workshop, extended learning take-home component, and a Works museum experience!

**WEDNESDAY | JAN 25 | 10 - 11:30 AM OR 2 - 3:30 PM**

### **Homeschool Day - It's Electric!**

**From atoms to electricity.** Explore how electrons flow through a circuit to power a light. Discover conductors and insulators and get hands-on in The Works Zap Lab.

**Registration Required: \$15/\$10 Members**

**SATURDAY | JAN 28 | 9 AM - 11 AM**

## SENSORY FRIENDLY SATURDAY

Join us for sensory-friendly programming for families of children, teenagers, and young adults with disabilities, who are neurodiverse, autistic, or have other sensory processing disorders or cognitive disabilities. Lowered lighting, reduced sound, and other accommodations will be made around the museum during sensory hours.

**Activity: Braille Literacy Month with special books and activities.**

**Included with Admission/Free for Members**

# Kids Tech University!

**KTU - Real Scientists Answering Real Questions!**

The Works Museum, in partnership with Denison University and The Ohio State University at Newark, have teamed up to provide an outstanding STEM offering to the Licking County community.

This program will serve a maximum of 60 students age 9-12 for a quality STEM-based educational experience. Students will receive a KTU t-shirt and a meal card for lunch each session. Registration is \$100 and includes all four sessions of the program.

**Registration Deadline: Saturday, Jan 7**

### **Jan 21 | What is a semi-conductor? Is it used to make computer chips for cool technology?** *Denison University*

An interactive session led by Dr. Joe Reczek and Dr. Tim Atallah, Professors, Department of Chemistry & Biochemistry at Denison University

### **Feb 11 | How does electric current flow in a circuit?**

*The Ohio State University Newark*

An interactive session led by Dr. Sandra Soto-Cabán, Associate Professor of Practice and BSET Program Coordinator, Electrical and Computer Engineering at The Ohio State University - Newark

### **Mar 11 | How do miniature ant brains make big decisions?**

*Denison University*

An interactive session led by Dr. Franne Kamhi, Professor, Department of Psychology, Neuroscience Program at Denison University

### **Apr 15 | How do we know black holes exist if we can't see them?**

*The Works Museum*

An interactive session led by Dr. Mike Stamatikos, Associate Professor, Department of Physics and Astronomy at The Ohio State University at Newark

# LIVE FROM NEWARK SATURDAY NIGHT IT'S

SATURDAY | FEB 4 | 6:30 PM | 21+

## COCKTAILS BY THE FIRE

It's Saturday Night! Dress as your favorite SNL character for this year's Cocktails by the Fire as we channel the satirical fun of this pop-culture sketch show. Whether you live in a van down by the river, enjoy more cowbell, have a conehead, or just need a weekend update, you're welcome at our late-night event. This friend-raiser benefits The Works' Hot Glass Studio. Feel the heat from the glass furnace as we auction a unique hand-blown piece created during the event, and enjoy a cocktail in our limited edition hand-blown glass tumbler.

**\$50/\$40 Members/Tickets Required**

***Ticket Sales Open: January 3, 2023***

## OPEN LATE!

We are open late for even more hands-on fun! Enjoy museum exhibits and activities for the entire family.

*Included with Admission/Free for Members*

SATURDAY | APR 22 | NOON – 2 PM

## Gallery Opening PASSION WORKS

Passion Works creates opportunities for all people to explore and socially connect through the process of making art. They follow the aesthetic lead, talents, and interests of people with developmental differences and support collaborations to encourage vibrant and inclusive communities. Passion Works upcycles otherwise discarded materials and produces environmentally responsible items. No voice, no resources, and no region are abandoned as the studio fosters purpose, connection, and belonging. See Passion Works on display at The Works and support this meaningful infusion of art and inclusion.

*Free & Open to the Public/On Display April 22 through July 1*

SATURDAY | APR 22 | 4 PM – 6 PM | ADULTS

## ART AFTER HOURS

Mandala Art – Grab your friends and join us for a quarterly art night out! Light appetizers included to fuel your creativity.
